HARFORD COUNTY PUBLIC SCHOOLS

102 South Hickory Avenue Bel Air, MD 21014 | (410) 838-7300

Office 365 · enVision MATH · MY SCHOOL BUCKS · Blackboard connect. 5 Parent Portal

All schools operating on normal posted schedule.

The link (pictured above) can be accessed from the HCPS homepage, www.hcps.org, in the top right-hand corner.

You will be asked to enter an identification code - this code is your child's six-digit cafeteria PIN. If you do not know your child's pin, please contact his/her school directly.

* Be sure to set **Outreach** alert preferences! Outreach refers to delays, closings and non-emergency communications. Emergency alerts will automatically be sent to all contacts.

NOTE: Any changes to your information should always be given directly to your school as well. Once you update your contact information within the portal, it will override the school system database, so you must contact your student's school to update his/her permanent record.
