Edgewood High School

International Baccalaureate Program

2415 Willoughby Beach Road
Edgewood, Maryland 21040

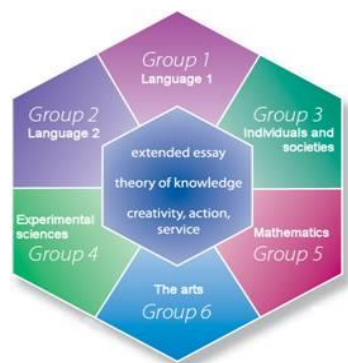

410-612-1500

Benefits of an IB Education

- Students can earn up to **30 college credits** and **sophomore standing!**
- Become a confident, independent learner
- Encourage critical thinking
- **Improve time management**
- Learn how to study
- **Become more globally minded**
- Volunteer and serve others

The CORE IB Components

- ◆ **Extended Essay**- In- depth research paper completed on a topic of student interest and choice
- ◆ **CAS**- reflective process focused on the areas of Creativity, Activity, and Service
- ◆ **TOK**- Theory of Knowledge, a critical thinking course that inquires into the ways in which we think and learn
- ◆ Note- students in the IB Program would find it extremely difficult at pursuing a dual enrollment option with HCC

Global Studies Program

- During grades 9 and 10 students enroll in GS (Global Studies) and AP (Advanced Placement) courses that are infused with IB skills, ideologies, and practice IB assessments.
- Students have the opportunity to network with an upperclassmen Peer Helper.

International Baccalaureate Program

- During grades 11 and 12 students can enroll in the following IB courses:

English Literature HL
French or Spanish SL
History of the Americas HL
Biology HL
Chemistry SL
Math Applications or Math Analysis SL
Visual Arts HL/ SL
Music HL/SL
Film SL
Dance SL
Theatre SL
Geography HL/SL
