

BALANCING ENROLLMENT PUBLIC INPUT SESSION

Monday, December 13, 2021
6:30 - 7:30 p.m.

Join the Board of Education of Harford County for a hybrid, public engagement forum to discuss balancing enrollment. In-person capacity at the A. A. Roberty building will be limited to 60 guests. Those wishing to provide comment virtually, may do so through a process like that utilized for Board meetings. All necessary links can be found on the **Balancing Enrollment webpage on hcps.org.**

As a reminder, the Superintendent's recommendation, boundary maps, and map books associated with the boundary adjustments being proposed, are also available on the **Balancing Enrollment webpage.**
