

Clinical Supervision

Professional Development for Teachers, Counselors, School Administrators, and
School Based Professionals

Clinical Supervision I (EDGC840), II (EDGC841), III (EDGC841) (1.0 Graduate Credit)

Students seeking supervision hours toward a LCPC may participate in this group supervision experience. Students are expected to be working with clients, and to bring cases to the supervision class for supervision, discussion, and problem solving. Students will utilize the required forms for supervision as outlined in state requirements for supervision experience. The focus of this supervision experience is case conceptualization and the development of treatment plans. A final written evaluation will be provided to each student to maintain in their records as required to document supervision. Student must complete the three courses to have the required clinical supervision hours. Each course is 1 graduate credit.

Participants must have Maryland LGPC to enroll.
