Purpose

The Board of Education of Harford County recognizes the need for members of the public to provide comments and opinions to the members of the Board regarding agenda items for designated meetings, on education in general, and in a manner that is consistent with the Board's ability to conduct business. To receive such information, the Board shall allow for Public Comment at each regularly scheduled Board of Education meeting. In addition, the Board may grant additional time for Public Comment by groups recognized by Harford County Public Schools (i.e.- PTAs, unions, and other school system stakeholders). From time to time, the Board may also establish special purpose Public Hearings for members of the public comment separate and apart from regularly scheduled meetings of the Board.

1. Public Attendance and Participation

- a) At any open session of the Board of Education of Harford County (whether a meeting or hearing) the general public is invited to attend, observe and to participate.
- b) Public participation at open meetings of the Board of Education is encouraged and welcomed during the Public Comment section of the agenda. Public participation may be in person or virtual.

2. Disruptive Conduct

- a) Members of the general public have the right to attend open sessions of public bodies. A public body may remove or cause removal of any person or persons from an open session upon a determination by the presiding officer of the public body that the person's behavior is disruptive to the session and interferes with the public body's ability to conduct business.
- b) A person attending an open session of the Board of Education of Harford County may not bring into the meeting demonstrative items such as placards, signs, or banners. In addition, a person attending an open session of the Board may not bring any item into the meeting that may disrupt the session or interfere with the right of members of the public to attend and to observe the session.

c) Presiding Officer Authorities

- (1) The presiding officer may order any person who persists in conduct

prohibited by subsection A or B of this section or who violates any other regulation concerning the conduct of the open session to be removed from the session and may request police assistance to restore order.

- (2) The presiding officer may recess the session while order is restored.

3. Public Comment at Board Business Meeting

- a) The order of business of any regular meeting shall include an opportunity for members of the public to address the Board through utilization of the procedures outlined below.

(1) Individuals or recognized groups wishing to speak on an agenda item or to comment on an education-related matter not on the agenda may request to do so by sending an email to publiccomment@hcps.org or calling 410-588-5347 by noon on the day of a Board of Education meeting. They also may do so by obtaining, from the Director of Information, and completing a "Request to Appear Before the Board" card. This must be submitted prior to the opening of the meeting.

The request to participate in Public Comment must contain

- (i) Name of speaker and, if said speaker is a group representative, the name of the group
- (ii) Local address of the speaker
- (iii) Email address of the speaker
- (iv) Telephone number of the speaker
- (v) Agenda item or subject on which speaker wishes to offer Public Comment
- (vi) Whether the speaker seeks to provide in-person or virtual Public Comment

Failure to provide complete information as required above will void the request to provide Public Comment.

- b) Matters of administrative procedure or comments about the actions or statements of individual staff members are not appropriate for Board business meetings and should be referred to the Superintendent. Efforts toward solution of any matter of concern should first be made at the individual school or at the appropriate staff level. Defamatory or abusive remarks are out of order and the presiding officer may terminate the speaker's privilege of address if, after being called to order, he or she persists.
- c) The Board, the Superintendent, and staff will not, as a rule, answer questions from the public during this period other than to explain a policy already in existence.
- d) Every person who wishes to speak shall be recognized by the presiding officer or staff delegate, called to the microphone (if in person) or admitted into the meeting from the virtual lobby (if virtual), asked to state his or her name, and, if representing a group, to identify the group that he or she represents. Each speaker shall be limited to no more than three minutes and five minutes for individuals representing groups unless such time is extended by the presiding officer.

- e) It is the prerogative of the Board to determine whether actions will be taken by the Board on items brought up during the meeting.
