### **Harford County Public Schools Announces 2026 Teacher of the Year Nominees**

Harford County Public Schools (HCPS) is proud to announce the 54 nominees for the 2026 HCPS Teacher of the Year!

Congratulations to each of these extraordinary educators for having been selected to represent their school this year in the annual program. Please join us in celebrating them.

These 54 nominees will be given the choice to move forward in the selection process to name the five finalists and ultimately the 2026 HCPS Teacher of the Year.

The winner will be announced at the HCPS Celebration of Excellence in Education celebration on April 16, 2026, at Edgewood High School. At that annual celebration, employees throughout HCPS are honored including education, administration, operations, and transportation.
