

Historic Preservation Youth Scholarship Application

Program Description

The Historic Havre de Grace Foundation is proud to sponsor the Historic Preservation Youth Scholarship, a one-time \$1,000 award designed to recognize and support graduating high school seniors who have demonstrated a clear interest in historic preservation. Whether through school projects, scouting programs, club activities, or community engagement, we celebrate young individuals who are passionate about preserving the past for the benefit of future generations.

This scholarship is open to students who **reside within the Historic Havre de Grace area**, even if they attend school in another municipality. Recipients will be selected based on their demonstrated commitment to historic preservation, personal character, and future aspirations.

Award funds will be distributed directly to the student recipient and may be used at their discretion—there are **no restrictions** on how the scholarship is spent. This may include educational expenses, transportation, housing, supplies, or any other needs as the student transitions beyond high school.
